

## It Frysk boun om Utens is looking for you!! Wy sykje jo!!

In the past the Frisians in foreign parts (outside Fryslân) mostly were called '**Friezen yn 'e frjemdte**', even if they were living on the doorstep, in the neighbor provinces Drenthe, Groningen or Overijssel.

That '**Friezen yn 'e frjemdte**' shall be the title of a book, in which we want to describe the history of the Frisians outside of Fryslân in the Netherlands and (far) abroad.

So that history won't be restricted to the present existing 27 Frisian society's (Fryske krite) in The Netherlands. Because merely there have been Frisian society's' in about 70 places.

Also far abroad, as in Canada, the United States of America, South-Africa, Indonesia, Australia and nearer in Great-Britain and Germany, have been Frisian society's. And perhaps even in more country's.

Now It Frysk Boun om Utens (The Frisian Union in other parts of The Netherlands), representing 24 Frisian society's, wants to contact people, all over the world, who possibly can help us collecting facts, information about (former) society's, clubs, circles or groups of Frisians. Especially:

1. names of members, perhaps people we can still interview;
2. photo's, pictures etc.
3. anecdotes,
4. locations, archives where we can find papers about Frisian society's etc.

See our website [www.fryskbutenfryslan.nl](http://www.fryskbutenfryslan.nl) for more information.
